

ARTBOXY (www.artboxy.com) is an art platform that enables artists to digitally exhibit their art simply and easily worldwide in the various ARTBOXY partner galleries and art fairs.

ARTBOXY will again be the presenting partner of SWISSARTEXPO in September 2023. As part of this collaboration, ARTBOXY will sponsor original exhibition spaces at the SWISSARTEXPO 2023 for various artists.

What does the ARTBOXY sponsorship entail?

- If you receive a sponsorship, ARTBOXY will cover the following costs for you:
- 1 - 4 exhibition walls for your original artworks at the SWISSARTEXPO 2023 worth CHF 1'500 - CHF 6'000.
- The following service is also included: Sales staff on site, artwork insurance during the exhibition, security, labelling of the artworks.
- If you would like to have detailed information about the exhibition organisation, you can read it in the Exhibitor KIT. You can download the Exhibitor KIT here: https://www.swissartexpo.com/_files/ugd/19cbde_b5bb7ca7b1854f728f2cc212d46ca89d.pdf
- The transport of the artworks to the exhibition as well as the hanging of the artworks are NOT included in the sponsoring and have to be organised by the artist him/herself.

How does the application for ARTBOXY sponsoring work?

- Each artist can present up to 5 artworks in his/her application. The artworks presented should give the jury an insight into the artist's work and do not have to be the same artworks that will be exhibited at the SWISSARTEXPO if the sponsorship is granted.
- The application fee of CHF 89 covers part of the costs of the jury provided by ARTBOXY and its administrative expenses, it is not refundable.

Important dates:

Deadline for applications: 31 January 2023

Notification of acceptance or rejection of sponsorship: 15 February 2023

Exhibition date SWISSARTEXPO: 6 - 10 September 2023
